13.0 SECTION 3 NEW RULE 24 CFR Part 75:

On November 30, 2020, HUD put into effect a New and Final Section 3 Rule for all recipients. This rule is drastically different from the old rule and therefore, we want everyone to know these requirements and plan accordingly.

Every contractor must ensure this package is included in their sub-contracts. Every sub-contractor must include this package in their lower-tiered sub-contracts.

This new rule exempts all material and supply only agreements. The rule applies to all service-related contracts/agreements despite the dollar amount or project duration, except CPA's, Attorneys, Engineers, and Architects.

Non-YHA Public Housing or Section 8 residents can NOT certify to their income nor can any current Youth Build participants under The State of PA's Executive Order:

- Equal Pay for Employees of the Commonwealth. Do Not request or require any applicant on any Housing Authority of the City of York contract to provide any of their current or prior salary/income or you will violate the state law.

Contractors should not issue the Individual or Business Self-Certification form(s) until you have secured a qualified contractor or employee respectively. DO NOT hand the individual
